Ms. Lentz:

Good afternoon. Attached are photos of the coin I had NWTM make for me a few years ago. I never saw my die so I do not know what numbers it has on it. I obviously want to retain my ownership of all intellectual property that was used to make the die. Can you tell me how I can get a copy of the paperwork for my order?

Thank you.

Subject: IMPORTANT INFORMATION REGARDING NORTHWEST TERRITORIAL MINT DIES

Last week you received, via United States Mail, a document entitled NOTICE OF PROTOCOL REGARDING CLAIMS OF OWNERSHIP OF NORTHWEST TERRITORIAL MINT COINING DIES AND ASSOCIATED MATERIALS AND DEADLINE TO ASSERT INTEREST IN OR OWNERSHIP OF COINING DIES informing you of the procedure for claiming an ownership interest in coining dies held by Northwest Territorial Mint. The document contained an inaccuracy at the end of the first full paragraph on the second page, which stated "NWTM die numbers begin with a numerical value, while MACO die numbers begin with a letter."

The sentence should have read, "NWTM die numbers begin with a letter, while MACO die numbers begin with a numerical value (year)." A corrected notice is attached to this email.

David-

I am working with Louis and have not in any way mentioned that I would not return the dies. I have procedures that I have to follow before I ship dies out. Not only to protect you but to protect the company. I have responded to Louis and will ship the dies out to you. Per the courts I will have to charge for the shipping, which is a flat rate of \$45.00.

Regards,
Jenifer Baker

Jenifer ~

We have asked for the dies ~ previously & have been patient as Your company has worked thru their financial matters...

We have also supported them with additional orders in an effort to assist them -

As i have not read your docs (Louis is handling this) - at the end of the day - we own and have paid for the material and expect it shipped to us...

Best regards
david

Last week you received, via United States Mail, a document entitled NOTICE OF PROTOCOL REGARDING CLAIMS OF OWNERSHIP OF NORTHWEST TERRITORIAL MINT COINING DIES AND ASSOCIATED MATERIALS AND DEADLINE TO ASSERT INTEREST IN OR OWNERSHIP OF COINING DIES informing you of the procedure for claiming an ownership interest in coining dies held by Northwest Territorial Mint. The document contained an inaccuracy at the end of the first full paragraph on the second page, which stated "NWTM die numbers begin with a numerical value, while MACO die numbers begin with a letter."

The sentence should have read, "NWTM die numbers begin with a letter, while MACO die numbers begin with a numerical value (year)." A corrected notice is attached to this email.
